

## **REMARKS**

This amendment is required by the Office of Patent Publication to correct an inconsistency between the drawings and the application papers in that the addition of water cycle is illustrated in Figs. 10 and 11, yet referred to in paragraph [0048] of the specification as being illustrated in Figs. 11 and 11.

Applicant respectfully requests waiver of the requirements of 37 CFR 1.312 and acceptance of this amendment filed after the payment of the issue fee. Applicant also authorizes the primary examiner to make any examiner's amendments necessary to correct the inconsistency.

## ***CONCLUSION***

In view of the foregoing amendments and remarks, Applicants respectfully request the issuance of Letters Patent.
